Liverpool Echo

Thursday 25 April 1912

Our photo is of Mr. William T. Brailey, who was a member of the now famous and heroic orchestra of the Titanic. Mr. Brailey was at one time associated with Mr. Compton Paterson at the Freshfield aerodrome, and Mr. J. Gaunt at the Southport hanger. He was also a member of the Southport Pier Pavilion Band. He was engaged to a well-known Southport young lady.
