

John Cotter, Harbor Pilot for Queenstown

by Peter Gauthier

To all who are interested in John Cotter, Harbor Pilot for Queenstown

On the back of the photograph lists the names of John Cotter's daughters, their husbands and their children. I am descended from Maggie on the far right who's husband, John Stanton, was absent at the time of the photo. I hope this photograph of John Cotter is of use to all those who are interested in the history of this tragedy.
