

John Pierpont Morgan and his son in London

Tuesday 15 April 1913

From 'Je Sais Tout', 15 April 1913

At the time of Pierpont Morgan's death, the French magazine 'Je Sais Tout' published a long article on the famous banker. Among the pictures published, one showed him strolling in the streets of Paris with his daughter, or walking out of the thermal building in Aix-les-Bains. Another very nice picture showed Mrs Pierpont Morgan, whom he had married in 1866.
