

## RMS Olympic Archive Film (3)

**Taking the elevators; the grand staircase; dancing in the saloon; smoking room; at Cherbourg; Nomadic comes alongside; passengers disembark**

### Titles

"Elevators and grand stair cases afford easy access from deck to deck

"Dancing is an evening pastime on every voyage."

"The smoking room is an apartment of much elegance, with the atmosphere and service of a metropolitan club.

"After five delightful days at sea you reach the shores of Europe at Cherbourg, and the tender - a good sized steamer itself - comes off for the continental passengers"

"At Southampton a special boat train waits and the pierside, ready to whisk you off to London."

"When your stay in Europe is ended, you are delighted to embark again on the Olympic bound for home."
