

PHILLIPS THE JACK BINNS

Boston Globe

Tuesday 16 April 1912

Wireless Operator on Titanic formerly on James Gordon Bennett's Yacht and on Oceanic.

NEW YORK. April 15. -

The wireless operator on the Titanic, who sent out the SOS message when she struck the iceberg is J. G. Phillips, formerly employed as a wireless operator on James Gordon Bennetts yacht. Later he worked on the steamship Oceanic from which he was transferred to the new Titanic.
