

Postcard from Onboard the Titanic

Wednesday 10 April 1912

Two framed full color postcards of the Olympic/Titanic, one of which was sent from the Titanic. The postcards have identical images of the Olympic/Titanic on the front which are very rare, but only one was written onboard the Titanic. The postcard on the right was sent by Tom Franklin who was a first class passenger in cabin D34. His message is dated April 10th/12 and it is postmarked QUEENSTOWN 3:45pm AP 11 12. Tom Franklin did not survive and his body was never recovered.
