

The Cave List

When the body of Saloon Steward [Herbert Cave](#) was recovered, among his effects was found this partial listing of first class passengers. It is the only documentary evidence of cabin allocations on the *Titanic*. The list was probably produced some days prior to sailing as it includes several passengers that cancelled passage on the *Titanic*. Errors and typographical features of the original have been left intact in this transcription.

This transcription presented courtesy of the Public Archives of Nova Scotia.
